

IOSH MANAGING SAFELY[®]

Managing Safely[®] is unlike any other course. You'll find a practical programme, full of step-by-step guidance, and a sharp business focus. But you'll also find that the highly innovative format and content engages and inspires your staff – critical to getting safety and health embedded across the whole organisation.

1 Who is IOSH Managing Safely[®] for?

Managing Safely[®] is designed for managers and supervisors in any sector, and any organisation worldwide. They won't suddenly become safety experts – but they'll get up-to-speed on the practical actions they need to take, and gain the knowledge and tools to tackle the safety and health issues they're responsible for. Importantly, Managing Safely[®] makes a powerful case for safety and health being an integral part of day-to-day management and business.

2 What does the business get?

- Peace of mind from training that's designed and quality-controlled by the Chartered body for safety and health professionals, IOSH
- Flexibility – the programme can be delivered flexibly so that it suits your business
- Efficient and effective learning – health, safety and environmental basics are covered in a single programme
- Globally-recognised, respected and certificated training for your managers and supervisors

Memorable and thought-provoking facts and case studies from across the globe help drive the points home over the whole course. Each module is backed by crystal-clear examples and recognisable scenarios, and summaries reinforce the key learning points.

3 Managing Safely[®] Covers...

- Assessing risks
- Controlling risks
- Understanding responsibilities
- Understanding hazards
- Investigating incidents
- Measuring performance

Successful delegates are awarded an IOSH Managing Safely[®] certificate.

4 What results can I expect?

- Greater productivity, from fewer hours lost due to sickness and accidents
- Improved company-wide safety awareness culture and appreciation of safety measures
- Active staff involvement to improve the workplace
Enhanced reputation within your supply chain

A one-day Managing Safely[®] Refresher course is available to delegates who have already completed the full Managing Safely course.
