

SAFE USE OF LADDERS

Course Location:	Duration:	Certification:	Delegates:	Event Cost:
On-site	½ Day	Centre Certified by Rochdale Training (Refresher recommended 3 yearly)	10 Maximum	Prices available upon request

1 Aims and Objectives of the Course:

- Delegates will gain an understanding of the necessary control measures required for working with ladders and assess and suitably deal with the associated risks.
- Managers and supervisors will be able to assess whether their workforce are working with ladders safely and in harmony with current safe working practices.

2 Content

There are 5 modules to the programme:

- 1 - Introduction - Injury statistics
- 2 - Relevant legislation
- 3 - Ladder selection and accessories
- 4 - Safe use of ladders
- 5 - Checks and inspections

4 Delegate Experience

- A working knowledge of using ladders would be an advantage, but not essential.

5 PPE

- None required

6 Achievement

- A certificate of training in awareness of safe use of ladders in the workplace

7 Venue and Equipment Requirements

- Room, table & chairs & adequate provision for lecture equipment.
