

# VEHICLE BANKSMAN

The aim of this course is to provide delegates, e.g. Managers or Operatives, with an understanding of the health and safety and communication issues associated with the movement and marshalling of vehicles on site. The course will take into account the dangers involved with pedestrians and moving vehicles on site.

Course Location:	Duration:	Certification:	Delegates:	Event Cost:
On-site	½ Day	Centre Certified by Rochdale Training (Refresher recommended 3 yearly)	Maximum 6	Prices available upon request

## 1 Aims and Objectives of the Course:

Attendees will gain knowledge of and be able to;

- Carry out a basic risk assessment of the area
- Carry out vehicle movements using the correct signals
- Relevant & current legislation
- Identify any hazards in the working environment
- Control of persons on site (authorised and unauthorised) in the working area

## 2 Content

- The role & responsibilities of a Vehicle Banksman
- Introduction to The Health & Safety (Signs & Signals) Regulations
- Understanding the associated risks and controls of the role and activity
- This course includes both classroom theory and onsite practical

## 3 Method

- Classroom & Outside practical using a company vehicle. We will look to undertake the practical outside in a designated area of your workplace yard, using a work vehicle to embed the practical signalling skills.

## 4 Delegate Experience

- Previous experience is not required.

## 5 PPE Required

- On-site required PPE. Minimum of safety footwear, hard hat, high-vis and gloves.

## 6 Achievement

- A certificate of training in the movement and marshalling of vehicles on site. This will be valid for 3 years.

## 7 Venue and Equipment Requirements

- Room, table, chairs & adequate provision for lecture equipment. Access to a site for the practical (enough room to reverse/3 point turn a vehicle) and use of a vehicle.

## 8 How to Apply
